Rev. Jaimal C. Hayes, Senior Pastor

Gloria Brown, Executive Assistant

Alma Gordon, Clerk

Dear Abner Baptist Church Family & Friends,

During this time of great uncertainty, fear and anxiety surrounding this global pandemic, COVID-19 (Coronavirus), I want you to know that as Pastor, and the Leadership of ABC, not only share your concerns but are truly praying for each of you.

To help flatten the bell curve for the spread of the virus, we take seriously the recommendations by the Centers for Disease Control and the Virginia Department of Health. Rest assured, we are committed to keeping everyone safe from being infected and potentially advancing the spread of the virus.

Therefore, we have decided to take the following actions:

- We have cancelled our regular Sunday worship until further notice.
- All church activities at ABC (i.e. bible study, ministry meetings) are cancelled until further notice.
- Ministry leaders are encouraged to hold conference calls for pertinent ministry meetings.
- We will hold worship services via Facebook Live until further notice.
- We encourage everyone to give their tithes and offerings via mail directly to the church or take advantage of online giving from our church website through Paypal.
- Going forward, communications will be given from our Facebook page with limited communications from our church voicemail and media broadcast.
- We encourage everyone to read the "Checklist for Community & Faith Leaders" on the Baptist General Convention of VA's website (www.bgcva.org).

Beloved, please know that you are not alone. God is still with you every single day of your life. Please continue to trust Him with your health, your children, and your finances. He is still a Healer and a Mighty Deliverer!.....This Too Shall Pass!!!

Because He Lives,

Rev. Jaimal C. Hayes
Pastor
